

Just another dishwashing liquid?
Not exactly.

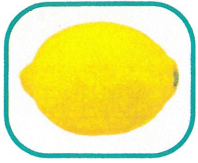

Made with biodegradable ingredients. Cleans with the power you expect from Clorox.

- Plant- and mineral-based ingredients
- Powerful grease-cutting
- Biodegradable and renewable sources
- No harsh chemical residue left on dishes, pots or pans

The Green Works™ difference

Green Works™ natural dishwashing liquid is made using effective natural sources, such as essential oils and coconut-based cleaners, to create a 99% natural cleaner without compromise.

fragrance with essential oils

coconut-based cleaning agents

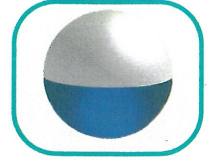

biodegradable preservative

citric acid

corn-based ethanol

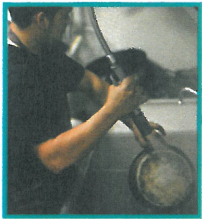

filtered water

From dishwashing to degreasing

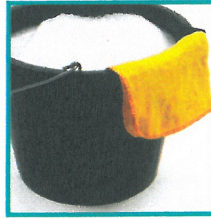

Versatile enough for all your manual-ware washing needs and as a general cleaner and degreaser.

Great for:

Manual dishwashing

Pots, pans, dishes, glassware, flatware, plastic containers

General cleaning

Walls, stainless steel, tile, no-wax floors

Dispensing solutions

Several options are available to help you easily measure, dilute and dispense.

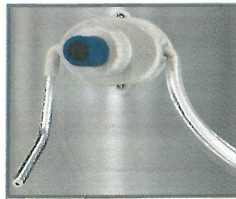

Pump IMT002

Simple to use. Provides fast, accurate measuring without the fuss. Two pumps deliver 1 oz. of liquid.

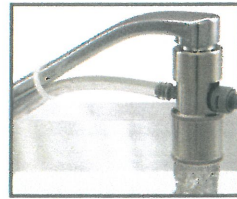

Wall Rack HDW030S

Holds a 128 oz. bottle in place. Easy to install.

Hydro Pump HP100

The push pump efficiently and accurately dispenses product into desired receptacle.

Hydro Flo Proportioner HFP100

At the touch of a button, diluted product is delivered to the sink.
